Wonderful Life

SPRING 2019

Charlie's Letter

This was just the second year of Power of Community week. It was the brainstorm of the Wisconsin Bankers Association, and it's something that happens all over Wisconsin. It gives smaller community banks the opportunity to be part of a larger movement throughout our state.

We all promote it on social media, we all wear our special t-shirts, we talk about it on local news stations, and we just have fun doing the things we would normally do in our community – just all in one week!

We can't wait to start planning for next year! But in the meantime, you'll see us all over this summer – parades, Catfish Races, you name it – we'll be there!

Sincerely,

Charles D. Schmalz

Charles D. Schmalz - President

We just wrapped up Power of Community week – and it was a dandy! Between planting trees, having fun at assisted living homes, preparing and serving lunch with the Salvation Army, helping and reading in classrooms, and giving away thousands of dollars of gas – we had so much fun getting out and making an impact in our communities! We can't wait until next year!

So how did this all come about?

This was just the second year of

Build With Us!

Planning to build this year? Come talk to us before getting started – and prepare to be impressed with our construction loans! Your entire project can be underwritten at one time, wrapping your construction loan and permanent financing together. You are able to finance up to 95%, and we can use your lot as equity! Our construction loans provide the convenience of a one-time close, and there are no additional closing costs when the home is completed. As always, you have many finance options available, such as fixed and adjustable rate mortgages – with no change in interest rates when construction is complete. You're able to make interest-only payments during construction, and we do our own draws and inspections, which saves you and your builder time and money. In all, our construction loans are designed to help you through the process of building the home of your dreams!

Brief & to the Point

You've probably seen the commercials where you get a check, take a picture, and presto! your check is deposited! We might be a community bank, but we've got all the wonderful technologies the big banks have! Find out more when you download our Eastwis app from your device app marketplace – or stop in and our Member Relations Reps will help you get your smartphone set up!

Purchasing a New or Pre-Owned Vehicle?

Whether you're in the market for a new or good pre-owned vehicle, give us a call. We have the auto loan that will fit your needs. Payments will be tailored to get you on the road with your new car. Our rates are very competitive, our terms are favorable, and our approval process is fast. Contact one of our Member Services Officers for your lending needs!

Graduating seniors – get a head start on your finances!

Spring of your graduating year is so exciting – finalizing plans for college or technical schools, applying for summer or your next job, planning for your future! And while you're planning, don't forget to think about your finances once you graduate! No matter how far you go – or stay – East Wisconsin can help! We have all the technology you need to access your checking and savings. Whether it's our mobile banking app, college rewards VISA card, online banking, a debit card, POP money, or bill pay, everything you need is right at your fingertips. Get everything for your financial future organized before graduation, for one more thing to check off your list!

No more hassle to switch financial institutions!

Want to consolidate your accounts from more than one financial institution, but you just don't look forward to the hassle? ClickSWITCH solves the age-old problem - and makes switching automatic direct deposits and Bill Pay vendors from another institution to East Wisconsin Savings Bank a breeze. It is fast, easy and secure and with just a few clicks and entering a small amount of information, these deposits and payments are switched without you having to contact anyone else. We can also send a request to your existing financial institution to request your account with them be closed. Stop in or call any of our offices to find out how you can get started with ClickSWITCH!

There They Are Again!

We're coming up on that busy time of year, where you'll see us all over! Whether we're driving Maybel in any of the upcoming parades (Freedom's Loyalty Day, The Big Cheese, or the Flag Day parades!), volunteering at community events (Catfish Races!), or walking/running in local runs, we'll be there! See you around!

We wanted to share a few pictures from Power of Community Week!

Helping You Build a Wonderful Life!

Welcome!

We're excited to add Barry Wood to our group of Member Services Officers! Barry is originally from Columbus, Ohio, and moved to the Fox Valley about 18 years ago. Barry is a veteran of the US Army, and has two teenaged children. Barry coached football for six years – 3 of those years with Pop Warner and the last 3 years with the Kaukauna Raiders football Program. He's a huge Packer fan, and a big college football fan as well. Although he roots for Ohio State the Badgers are his second favorite team. Barry's been in the financial services field for over 20 years and is looking forward to getting to know everyone here at East Wisconsin – and bringing more members to our family!

We asked Barry why he's stayed in lending so long. We loved his answer: "I love the feeling I get when I help other people achieve their goals through the banking and financial services I provide. I have many referral partners and have built a very loyal customer base over the years. I work hard for every customer I talk to and I make sure that I give them the same advice I would give my own family."

Welcome Back!

We're excited to announce that Candace is back! Those of you who knew her so well from Kaukauna – you'll find her in our Freedom office these days! Welcome back, Candace!
